

SAVE HAIKU STAIRS

We, the undersigned, submit this petition to support the preservation and reasonable public use of Haiku Stairs.

As potential solutions exist to allow access to Haiku Stairs and Valley, we request, encourage and support:

- Efforts to bring interested parties together to plan such use;
- Completion of land exchanges that would allow access to Haiku Stairs from within Haiku Valley and **vehicular access to the proposed Valley Preserve.**
- Management of public use of Haiku Stairs and Valley at a level consistent with preservation of the Stairs, the surrounding environment, and neighborhood tranquility;
 - Preserving the public's right to access public land.
